From the Westview Gold Booster President:

Now that another Tournament Season is in the books, I find myself coming back down from the "Championship High" and thinking about what we still need to accomplish. The main topic for me is our coaching fund. We are still short almost \$20,000. We are investigating ways to raise more money and there are some ideas in the works from your fellow Gold parents as well. Stay tuned for more info. I hope the impression that was made seeing how excited, overjoyed, and emotional the kids were at Championships will encourage those of you who have not yet donated to do so for the sake of our wonderful, hardworking, and talented kids. This includes our amazing concert band and orchestra kids who deserve as much of our support as possible. Families of all our Gold Groups are asked to donate. [CLICK HERE](#) for the link.

Thank you for your support and **Go Gold!**

-Victor Chan
