From the Westview Gold Booster President:

"We are the music makers, and we are the dreamers of dreams." — Arthur O'Shaughnessy

Westview Gold has been making beautiful music, from a wonderful orchestra performance at halftime during the Homecoming Game to the tournament fields at Rancho Bernardo and Mt. Carmel High Schools. We have a phenomenal program that needs the support of every family. Here's how you can help:

- Volunteer for the Westview Gold Tournament on November 8, 2017. There are still many opportunities, and we need all the help we can get to make this our most successful fundraiser of the year. [Sign up here.](#)
- Make your coaching donations if you haven't yet. They're tax deductible, so you have two months left to get that deduction for 2017!
- Join the Westview Gold Boosters. It gives you early access to "Snowed In," the winter show you do not want to miss.
- Continue to support our musicians and dreamers by coming out to see their performances. The orchestra and non-competitive band have their fall concert this Wednesday, November 1st and you still have a few more marching tournaments to catch "Bach & Forth."

Let's keep making music and dreaming dreams.

GO GOLD!

-Lorrie Frost
